About me

Lukas Lanzerstorfer is a partner at Vavrovsky Heine Marth Rechtsanwälte and has been part of the team specialising in real estate since 2015.

As part of his legal practice, Lukas focuses on assisting property development projects (from the purchase of the property to the establishment of condominium ownership), property development (such as partition, cooperation agreements), property transactions and asset

He advises clients comprehensively and purposefully on the drafting of all contracts relating to the purchase and sale, letting of residential, office and commercial property. With his expertise, he also assists property developers and project developers in the preparation and processing of contract documentation – from obtaining the necessary permits/approvals to (individual) sales and the establishment of condominium ownership.
