About me

Marina Schrötter is an attorney at VHM and specialises in dispute resolution and insurance law. She also represents clients in court and in extrajudicial cases, and advises clients on an ongoing basis in matters of inheritance law and family law (in particular, the law of succession). Wills, consultations in connection with intended asset transfers and changes and their effects as well

as corresponding options for structuring and taking action).

Marina has several years of experience in the field of insurance law and has, inter alia, assisted in advising and settling extensive insurance cases (D&O insurance, criminal law protection insurance, motor vehicle insurance and medical malpractice cases with civil and criminal law components).
